PARENT / GUARDIAN PERMISSION

As a parent, I have read the Extra-Curricular/Tardiness Policy of Pemetic Elementary School and agree to support its regulations and to work cooperatively with school personnel in its enforcement.

I understand that participation in interscholastic sports may result in severe injury including paralysis or death. Improvements in equipment, medical treatment and physical conditioning, as well as rule changes, have reduced these risks, but it is impossible to eliminate such occurrences from athletics. I hereby give consent for the above named student to represent Pemetic in athletic activities including team travel for local and out of town trips. I hereby authorize the school to obtain, through a physician, medical personnel or medical facility of its choice, any assessment, treatment or emergency care that may become necessary for the student in the course of athletic activities or travel.
