

Updated Nut Plan

In an effort to keep families informed, here is our updated Nut Policy at Pemetic:

In order to keep our students with allergies safe we will have the following restrictions in place for the 2018-2019 school year:

- 1. There will be a designated Nut-Free table in the Cafeteria.*
- 2. Our school kitchen will continue to be entirely Nut-Free.*
- 3. The Main Middle School classrooms (Mrs. Bean-Ingram, Mrs. Clark (formerly Mrs. Rich, Mrs. Norwood, and Mrs. Reed), will also continue to be Nut-Free zones*

Thank you for following this plan in order to keep all students safe at school. If you have any questions, please call the school at 244-5502.
